- Nearly \$2.5M in private support for the Kennecott building renovation project
- More than \$901,000 in donations for scholarships
- Seventy-four individual gifts for the matching scholarship campaign
- A significant new gift from the Jorgensen Family providing renewable scholarships for 16 engineering students
- A generous addition from the Adiuvo Foundation for the Jack and Barbara Magdiel Financial Relief Fund in Mechanical Engineering to help students with financial hardships that may deter graduation
- A significant gift from ConocoPhillips to support faculty research in energy exploration

Every gift we receive is appreciated and celebrated by our faculty, students and staff. Thank you for supporting our mission.
